

Parcel Number: 603200005-0

Map Book: 603

Page/Block: 200

Parcel: 5

Check Digit: 0

HOW TO READ THE ASSESSOR'S MAP PAGE

The numerical parcel number on a map page consists of three main segments. The first three digits is the map book number. The second set of three numbers is the page/block number, and the third segment identifies the parcel number.
